The Waterside  
Chivenor Business Park  
Barnstaple EX31 4AY

Based in the unlikely setting of a bustling business centre, the Waterside is a family run restaurant and coffee stop set on the historic Tarka Trail in North Devon. With breath taking views of the estuary, it's the perfect spot to come and celebrate a birthday, hen party, baby shower or just a long over due get together!

A table under our copper chandeliers will be set with either our Mad Hatters tea set or our stunning vintage china, as well as table linen and fresh flowers. To make your tea party extra special we have a mouth watering selection of finger sandwiches, brioche scones with jam and lashings of Devonshire clotted cream, miniature cakes, unlimited tea and our homemade pink lemonade.

Prices start at £15 per head

Extras  
We can add party favours, a glass of Prosecco when your guests arrive or pretty printed invites for you to send to your guests at an additional cost.

Our tea parties are not gluten free, however, we are able to add items on request for which there may be an extra charge.
